SELECTION CRITERIA

Little Athletics has benefitted from a close and ongoing relationship with the education sector dating back to our sport's establishment in 1964. In the ensuing years, many individuals have made enormous contributions across the sport, with Little Athletics benefiting greatly of their educational expertise, networks of contacts, access to facilities, recruitment of members and other factors. Little Athletics Victoria seeks to celebrate its long, fruitful and informal relationship with the education sector, as well as the contributions to our sport by the individuals concerned by the establishment of a specific award category.

The Outstanding Contribution By An Education Sector Individual award celebrates and recognises outstanding contributions to Victorian Little Athletics – at any level - by an individual working within or on behalf of the Victorian education sector.

Qualifying period: All stated activities and achievements must have been achieved during the period 1 June 2019 to 31 May 2020.

Provision for additional material in your application: As part of your application we invite you to include visual evidence should you feel it may assist. Additional material may include: images / advertisements - flyers / booklets / videos / social media posts / news clippings etc.

Closing date: entry submissions are to be received via email in MS Word or PDF format to office@lavic.com.au no later than Friday the 12th June of 2020.
