Questions:

- Question from Keilor LAC: Congratulations on the financial result for the past year. Does the board and management know the number of registrations before there is a significant impact?
- Board response from James van Beek: explained that no significant change in membership revenue had been budgeted for the 2019-20 season, and that a significant reduction in revenue could require a review of the operations.
- Question from Williamstown LAC: do we have any research around why kids are leaving little athletics?
- Board response from Sherrie Boulter. Surveys have been done, feedback points to long
 waiting times, too much volunteering required of parents. Suggestion for Centres to survey
 non returning members to see if there are other reasons why not returning. Gemba research
 has been completed, and LAVic's compares well with churn against other similar sports.
 Recruitment of athletes at U6-10 age groups has reduced in recent seasons; U12 upwards
 slowly increasing year on year.

7. Appointment of Auditors for 19/20

NOTICE OF MOTION C19-03	Submitted by: BOARD OF MANAGEMENT
