This event is being conducted under the Victorian Government – Public Events Framework – Tier 2 Permit.

LAVic has a cap of 2500 attendees, that can be inside the venue at any time throughout the 2 days.

To achieve this cap, we will be implementing the following conditions of entry.

- No spectators – including Grandparents, Relatives, Friends, Private Coaches.
- Both parents can attend, including siblings.
- Athletes will be asked to compete and then leave the venue immediately after they have finished unless they have a presentation to attend, or the parent has a Centre Duty to perform.
- Athletes cannot stay and watch their other Centre athletes or friends.
- Athletes that have other events during the day that is spaced out by several hours, will be asked to leave the venue and then return closer to their next event.
- If the cap is reached, the program will stop and announcements will be made to ask people to leave immediately, to allow competing athletes and families to enter the venue.
