SUBJECT: COVID-19 restrictions update

In recent days, the Victorian State Government has foreshadowed a further easing of COVID-19 restrictions due to take effect at 11.59pm on 21st June.

One of these announcements pertaining to community sport is as follows:

Non-contact competitions can resume for all ages.

This is an exciting development and paves the way for a planned & careful resumption of Little Athletics competition.

Sport & Recreation Victoria will provide further advice to LAVic and other State Sporting Organisations during the course of this week as to how to proceed in accordance with remaining restrictions.

Accordingly, LAVic will advise Centres and Regions once this information is to hand.
