SUBJECT: COVID-19 restrictions update

The Victorian State Government earlier today announced that, effective 11.59pm tonight, Victoria's COVID-19 lockdown will be lifted.

A '[Table of Restrictions](#)' has been released by the State Government, summarising the new restrictions for community sport, however, it doesn't contain all the conditions that determine the safe conduct of Little Athletics.

The Restricted Activity Directions (Victoria) (No.20) document, setting out all the restrictions in detail, is yet to be released by the State Government.

Once released, LAVic will revise and release a comprehensive and complete statement on restrictions, and implications for our sport, most likely early tomorrow.

The LAVic Team.
