

**Little
Athletics**
Victoria

TO: Centre Secretaries
FROM: Anthony McIntosh – Chief Executive Officer
DATE: Tuesday, 10th August 2021
SUBJECT: Little Athletics can resume in Regional Victoria

The State Government has released the [Restricted Activity Directions \(Metropolitan Melbourne\) \(No.7\)](#) and [Restricted Activity Directions \(Regional Victoria\) \(No.7\)](#) setting out the conditions COVID-19 restrictions, effective from 11.59pm on Monday 09.08.21.

Metropolitan Melbourne: Little Athletics competition and training remains suspended until further notice.

Regional Victoria: Little Athletics competition and training can resume, subject to the following conditions (which are largely similar to those in place prior to lockdown):

- Little Athletics training and competition does not involve a participant who ordinarily resides in Metropolitan Melbourne.
- The wearing of masks is mandatory for all in attendance 12 years and over, at all times, when not competing or training.
- Coaches, officials and parents are required to wear masks at all times.
- Indoor and outdoor spaces are subjected to a maximum density quotient of 1 person per 4 square metres.
- A maximum of 100 people is permitted indoors at any one time subject to the density quotient.
- A maximum of 300 people is permitted outdoors at any one time subject to the density quotient.
- Centres/organising bodies must ensure that only the minimum number of people required to conduct Little Athletics activities are present for that purpose up to the maximum number allowable. Supervising parents, coaches, officials, committee members, volunteers may be necessary for the conduct of Little Athletics, depending upon the nature of the activity.
- Spectators are not permitted.
- All in attendance must check in with the State Government QR Code service.
- A [COVID Safe Official](#) (CSO) must be in attendance at all competition and training activities. A key priority for CSOs is to ensure all present, register their attendance via the QR Code service.
- Any shared equipment is cleaned between users.
- A 'get in, compete/train, get out' approach applies.
