

## MEMBER REGISTRATION PATCH & BADGE

### Association Registration Patch

The COMMONWEALTH BANK registration patch is to be worn by competitive / financial members on the front of a Centre / Club uniform **every time** they compete at Little Athletics, this includes Centre, Region, State and Open Day competitions in the summer and winter.

\*Please note when competing at Region / State competitions it would be the Centre uniform that is worn (not club uniform).

The COMMONWEALTH BANK registration patch is not for trial athletes or returning members/new members yet to pay / those who have not shown proof of age. Trial athletes can use the trial patch available in their online receipt or can obtain a blank patch from the Centre. Blank trial patches are available in the administration menu of GameDay. Centre admins, please contact the LAVic office if you do not have access to GameDay.

### National Membership Badge

Every uniform top is to have the red Coles patch above the Little Athletics Victoria logo. Where garments do not have these sublimated onto the garment these must be **sewn onto** the uniform. These are available from your Centre in 2 sizes dependant on the garment size.

Centres can obtain additional registration patches / Coles badges by contacting the Little Athletics Victoria Office: [office@lavic.com.au](mailto:office@lavic.com.au)
