#### **LAVic Awards nominations reminder**

Nominations for the 2022 LAVic Awards close on Monday 27<sup>th</sup> June at 5pm. An overview of the 2022 LAVic Awards program can be found on the LAVic website, along with links to the relevant application forms – click [HERE](#). Nominations are to be forwarded to the LAVic office via email at [office@lavic.com.au](mailto:office@lavic.com.au).

Again, we encourage all Centres to consider nominating and at the very least, share their stories. The winners of most award categories will receive a cash reward and a plaque/trophy.

*Save the date:* the Gala Awards Dinner presentation will be held at The Dingley Hotel (334-348 Boundary Rd, Dingley Village) on 30<sup>th</sup> July, following the AGM. Booking and other details to be released shortly.

#### **Cross Country Competitors**

A reminder to Centres, that members should be competing in their registered Centre / Club uniform displaying their Commonwealth Bank registration patch and Coles badge.

Additional or replacement (blank) patches or badges are available by contacting the LAVic office by email. We ask that you confirm the quantity of each item you are after and an address where you would like them posted or picked up from the office (Tuesday or Thursday).

Trial athletes are required to wear the trial patch, which is made available in their trial receipt (online application) or can be sourced in the GAMEDAY console.

### **Visiting competitive members / athlete nominations**

Athletes wishing to compete with another Centre are required to be formally nominated by the host Centre.

Click [HERE](#) to view the process for nominating an athlete.

### **Cross-Country Trials**

Trials for the Cross-Country season are progressing well. Centres are reminded to export a list of Trial Athletes that register online.

A summary of athletes is available via the GAMEDAY noticeboard (accessible when you first login to GAMEDAY). The noticeboard also provides manual trial applications / trial patch templates and a sample of the follow up email sent to families that have previously submitted an online trial application.

### **Sporting Club Grants are open**

Sport & Recreation Victoria have opened a round of Sporting Club Grants. Click [HERE](#) to read more.

This program assists sports clubs to purchase sports uniforms and participation equipment, increase the skills of coaches, officials, volunteers and management committees, and supports improvements to club capacity and accessibility.

Applications close on 21<sup>st</sup> July 2022.
