

TO: **Region & Centre Secretaries**  
FROM: **Thursday, 14 April 2022**  
SUBJECT: **Director resignation, Good Friday Appeal, Get Active Kids Vouchers update**

---

**Happy Easter!**

Wishing all a happy & safe Easter break.

Good luck to those 195 athletes competing at this year's Stawell Gift over Easter. We hope our athletes and families have an unforgettable experience.

**Director resignation**

Advising that Brett Schofield has resigned from the Board of LAVic, effective 3<sup>rd</sup> April.

Brett was initially elected on to the Board at the 2020 AGM, and has served on both the Albury LAC and Northern Country Region committees over the years. We thank Brett for his contribution and know that he will continue to be an active member of the Little Athletics community well into the future.

**Royal Children's Hospital Good Friday Appeal**

This season marks the 50<sup>th</sup> year of LAVic's association with the Good Friday Appeal. During that time, LAVic's Centres have raised well in excess of \$1 million.

Lake Bolac LAC raised the most of all Centres: \$4,657.65. An astonishing effort by their 41 members & families (the entire district has a population of around 330).

LAVic President Steve Waugh, and Lake Bolac representatives Melissa Perry (President) and Georgia Ford will present the big cheque worth \$29,631.18 to the GFA live on Channel 7 at 12:15pm on Good Friday (15<sup>th</sup> April).

**Get Active Kids Vouchers update**

LAVic has now been advised that its current membership platform does not have the functionality to process Get Active Kids Vouchers, as the program is intended. We acknowledge that this will be inconvenient to both our Centres and families.

The LAVic team continues to work on devising the best process under the circumstances and will advise further in coming days.

The LAVic Team
