Post-Christmas Centre fee reductions

Centres wishing to reduce their membership fees post-Christmas can complete and submit the fee template as soon as possible. Click [HERE](#) to access the template.

Trial Athletes

With the summer track & field season concluding at the end of March, Centres are encouraged to finalise their existing athlete trials in coming weeks, and close off Trial Athlete registrations for the summer season no later than mid-February.

Centres wishing to close their Trial Athlete registration portals can do so at any time by notifying Kim John at kim.john@lavic.com.au.

Coles patches

Centres are reminded to enforce the wearing of Coles patches on Centre competition uniforms. Social media posts from some Centres – many of which are closely monitored by Coles – continue to display images of athletes not wearing patches.

Wearing the Coles patch is a condition of the ongoing national sponsorship of Little Athletics by Coles, and the long term continuity of the sponsorship is determined in part by our collective willingness to comply. Further, athletes cannot compete at any Region or State event if the patch is not displayed. Thanks for all efforts in assisting with this.

Stephanie Kavenagh – new starter

LAVic is delighted to welcome Stephanie Kavenagh to the team in the role of Membership, Programs and Merchandise Co-ordinator (formerly undertaken by Taylah Perry), who

commenced with us on Tuesday 11th January. Stephanie comes to us with qualifications and experience in sport management, education, the arts, and retail sectors.

Amongst other responsibilities, Stephanie will often be the first to respond to member matters, so please make her feel welcome!

The LAVic team.
