### **Membership update**

Members are continuing to sign up to our Centres in good numbers. As of today, there are over 10,500 registered financial members (compared with 9841 at the same time in 17/18 season).

Further, almost 8000 Trial Member registrations have been received, of which some will convert to full registrations in time. (Just on this, Centres are reminded to send to LAVic a summary of their converted Trial Athletes so they can be removed off the trial export).

Centres that, at this early stage, have already surpassed their 21/22 membership totals, and doing particularly well:

- Albury: 215 members (195 in 21/22 season)
- Box Hill: 295 (249)
- Keilor: 337 (327)
- Preston Reservoir: 63 (53)

Here's hoping that the forecast wetter than average summer doesn't disrupt the season too badly in coming weeks and months.

### **Cluey Learning: LAVic's 'New Member Partner'**

LAVic is excited to announce that [Cluey Learning](#), Australia's leading online tutoring service for primary & secondary school students, have teamed with LAVic as our 'New Member Partner.'

You'll see Cluey's brand on those web pages on the LAVic website navigated by new/prospective members and trial athletes. There'll also be special offers for Little Athletics families from time to time.

### **Alpine LAC in recess**

Alpine LAC has advised that it will enter a period of recess for the 22/23 season. Existing committee members expect to be operational again in the 23/23 season.

### **Be a 'Good Sports' Centre**

[Good Sports](#) is a free Australia-wide program helping sporting clubs comply with legal requirements, attract funding, and grow their membership and volunteer bases.

Centres can click [HERE](#) to create a new account (no charge) and ultimately work towards achieving 'Gold Medal Good Sports Club' status.

### **Get Active Kids Vouchers**

[Get Active Kids Vouchers](#) are again proving hugely popular with our Members, with many vouchers already being redeemed.

Centres are requested to remind Members that have already paid for their registration to apply for a reimbursement and not to apply for a voucher. Assistance with getting this message out will be greatly appreciated – thanks in advance.

The LAVic team.
