

**Little
Athletics**
Victoria

TO: Region & Metro Melbourne Centre Secretaries
FROM: Anthony McIntosh – CEO
DATE: Friday 22nd October 2021
SUBJECT: Metro Melbourne protocols delayed

Advising that the State Government released the 'Open Premised Directions' document (these replace the 'Restricted Activity Directions') and an updated COVID-19 Mandatory Vaccination (Workers) Directions (No. 5) (PDF) taking effect at midnight last night.

Victoria's State Sporting Organisations, Local Government Organisations, Vicsport and Sport & Recreation Victoria met earlier today to discuss changes and their application to our sports, including Little Athletics.

There remains a large number of outstanding matters requiring clarification that may have direct bearing on key aspects of how outdoors community sport, and in particular Little Athletics, can be conducted safely and legally.

While Vicsport and SRV have committed to clarifying, summarising and distributing correspondence on these, unfortunately, there is no timeframe on this.

Accordingly, LAVic is not able to finalise or distribute its protocols to metropolitan Centres today.

We realise that some Centres will have been planning to commence training activities this weekend, however, in the light of this delay, training remains suspended for metro Melbourne Centres. LAVic will distribute the protocols as soon as it can.

At this time, regional Victorian and NSW Centres will continue to operate under their existing protocols.

The LAVic team.
