

**Little  
Athletics**  
Victoria

**TO: Region & Centre Secretaries**  
**FROM: Anthony McIntosh - CEO**  
**DATE: Friday 18<sup>th</sup> June 2021**  
**SUBJECT: Updated COVID restrictions**

---

- **Restricted Activity Directions (RADs)**
- **Regional Victoria restrictions**
- **Metro Melbourne restrictions**

#### **Restricted Activity Directions (RADs)**

Effective from 11.59pm last night, the Victorian State Government (via the Chief Health Officer) released separate RADs for [Metro Melbourne](#) (ref clauses 5(3), 5(6) and 6 with italicised note) and [Regional Victoria](#) (reference clauses 6(3) and 6(4)). These will remain in effect until 11.59pm on Thursday 24<sup>th</sup> June. The conditions for the period subsequent to 24<sup>th</sup> June will be advised at the earliest opportunity.

Little Athletics activities are subject to the protocols outlined in the [Stay Safe Directions \(Metropolitan Melbourne\)](#) and [Stay Safe Directions \(Regional Victoria\)](#).

Note, all in attendance at sanctioned Little Athletics activities must register their attendance via the State Government QR Code service. Further, COVID Safe Officials must be in attendance at all sanctioned activities.

#### **Regional Victoria restrictions**

- Competition and training are permitted to be conducted in Regional Victoria. There are no caps on field/race/event/group sizes.
- Restrictions of movement between Regional Victoria and Metropolitan Melbourne have been removed.
- A maximum of 1000 people is allowed at an outdoor venue subject to a density quotient of 1 person per 4 square metres.
- The maximum number of people allowed in indoor spaces is subject to a density quotient of 1 person per 4 square metres.
- No more than the minimum number of people required to conduct competition and training are permitted to be in attendance. This includes coaches, officials, volunteers and supervising parents.
- General spectators are permitted.
- Access to clubrooms, changerooms, storerooms and other indoor spaces is permitted, subject to a density quotient of 1 person per 4 sqm.
- Any shared equipment is to be cleaned between users.

- Canteens can operate within [hospitality guidelines](#).
- Face coverings must be carried at all times by all persons 12 years and older; face coverings must be worn indoors at all times; they need only be worn outdoors only if physical spacing of 1.5m can't be maintained.

#### **Metro Melbourne restrictions**

- Outdoor competition and training are permitted with a maximum of 20 athletes in a race/event/group.
- A maximum of 1000 people are allowed at an outdoor venue subject to a density quotient of 1 person per 4 square metres.
- Indoor training and competition are permitted with a maximum of 10 athletes in a race/event/group.
- A maximum of 50 people is allowed indoors in total subject to a density quotient of 1 person per 4 square metres.
- No more than the minimum number of people required to conduct competition and training are permitted to be in attendance. This includes coaches, officials, volunteers and supervising parents.
- General spectators are **not** permitted.
- Access to clubrooms, changerooms, storerooms and other indoor spaces is permitted, subject to a density quotient of 1 person per 4 sqm.
- Any shared equipment is to be cleaned between users.
- Canteens can operate within [hospitality guidelines](#).
- Face coverings must be carried at all times by all persons 12 years and older; face coverings must be worn indoors at all times; they need only be worn outdoors only if physical spacing of 1.5m can't be maintained.
