

Little
Athletics
Victoria

TO: **Region & Centre Secretaries**
FROM: **Anthony McIntosh – CEO**
DATE: **Thursday 11th November 2021**
SUBJECT: **Updated Victorian protocols for track & field competition & training**

The COVID-19 Protocols and the COVID Safe Official Duty Statement documents for Affiliated Centres conducting activities in Victoria have been updated for track & field competition and training.

- LAVic Victoria COVID-19 Protocols v6.5f 11.11.21
- LAVic Victoria CSO Duty Statement v4.7f 11.11.21

Click on LAVic's ['Coronavirus \(COVID-19\)'](#) resources page to view/download.

As per the [memo of 3rd November](#), LAVic has actively sought clarification from Sport & Recreation Victoria (SRV) regarding the patron limits of 500 people and the vaccination status requirements. SRV, via the Department of Health, now advises that the patron limits of 500 and vaccination status **do not apply** to community sport when:

- the space is only being used for community sport,
- spectators comply with the public gathering limit (individual groups of no greater than 30), and
- otherwise only participants and minimum number of persons required to conduct the community sport are present.

Consequently, attendees to Little Athletics activities in Victoria are not required to disclose their vaccination status.

As always, LAVic's COVID-19 protocols are advised by the Open Premises Directions, authorised by the Chief Health Officer, for the safe conduct and enjoyment of all in attendance at Little Athletics. As the Directions change, so will our Protocols.
