training, or joining in with competition events under the banner of Come & Try, do not comply with Government directions and are no longer permitted. This concept has been replaced by the Trial Athlete registration.

Centres are required to ensure all prospective members register as either a Trial Athlete (if they are not a renewing member) or a full financial Competitive Member.

All athletes are required to be registered prior to attending any sanctioned activity – training and competition - when Government restrictions permit.

Further, parents of both types of Trial Athletes and Competitive Members are bound by the vaccination requirements.
