2024/25 State Combined Event Championships

Event Information for Athletes and Families

Lar Birpa Athletics Complex, 58 Retreat Rd, Flora Hill
(Bendigo Little Athletics Centre)

Saturday 1st – Sunday 2nd February 2025

The following information is provided for the benefit of athletes and their families to help them prepare for the upcoming State Combined Event Championships.

COVID Protocols

Whilst the majority of formal Covid restrictions have now been lifted in Victoria, Covid is still present in the community, and some people are more vulnerable to it than others. As such, Little Athletics Victoria asks that you continue to do the following where possible:

- Do not attend the event if you are unwell or have been instructed to isolate or quarantine.
- Where possible, attendees are asked to maintain at least 1.5m physical distance between themselves and others.
- Whilst face masks are no longer compulsory, those that wish to wear them are more than welcome to do so.
- Personal hygiene measures such as hand sanitising after touching surfaces and using toilets are essential, as well as observing the cough etiquette to minimise the risk of spreading any droplets.

Hand Sanitiser will be located at various locations throughout the venue.

State Combined Event Championships – Webpage

All details relating to this event can be found on the 2024/25 State Combined Event Championships webpage. The Draft Timetable, Venue Map, Athlete entries, Group allocations and other updates will be added here as they become available. To access the webpage, please click [HERE](#).

Entry Numbers

As per the LAVic Competition Regulations, the number of entries per age group is capped as per the following table on a "first in, first served" basis.

Under 9 to Under 12	72 athletes per age group/gender
Under 13	54 athletes per age group/gender
Under 14 to Under 15	36 athletes per age group/gender
Under 16	24 athletes per age group/gender
Under 17	16 athletes per age group/gender
Multi-Class	Unlimited Entries

Once the cap for any age group is reached, additional entry requests can be emailed to office@lavic.com.au and you will be placed on a waiting list in the order that the requests are received. Should any entries withdraw prior to the closing time/date of entries then that spot will be offered to the next person on the waiting list.

Venue access

Entry is via the Main Gate located off the carpark adjacent to Retreat Road. The gate opens at **7:30am** each day.

Car parking

A map showing the different parking areas available will be added to the event page prior to the event. If parking in the surrounding streets, please observe all parking signs.

Food & Drinks

A canteen will be in operation throughout the day. A BBQ, Food Vans, Coffee Van and Ice Cream Van will also be available.

First Aid

Four First Aid responders will be available throughout the day to attend to any injuries and/or medical issues. Please note that these responders do not provide a "strapping service" for anyone wanting to strap/tape prior to their event.

Event Timetable

The finalised timetable will be available prior to the event and will be found on the website [HERE](#).

The below table is an indication of which days each age group will compete.

Boys and Girls	Dates
U9, U10, U13 & all Multi-Class	Saturday 1 st February only
U11 & U12	Sunday 2 nd February only
U14, U15, U16 & U17	Saturday 1 st AND Sunday 2 nd February

It is important to remember that whilst every effort will be made to stick to the published timetable, it is subject to change. The Competition Director will manage any changes to the timetable over the weekend.

Groups

Athletes are split into groups to assist with the timetable as follows:

- Under 9, 10, 11, 12 & 13 – 4 groups.
- Under 14 & 15 – 2 groups.
- Under 16 & 17 – To Be Confirmed (subject to entry numbers).
- Multi-Class – To Be Confirmed (subject to entry numbers).

These groups are only used for the Field events. For the Track events, all athletes in that age group compete together.

In High Jump, both mats are being used, so all age groups from U14 to U17 are split into 2 groups based on their nominated starting heights. For U14 & U15, these groups are the same for their other field events (i.e., if you are in Group 1 for High Jump then you will also be in Group 1 for your other field events for the U14 and U15 age groups).

Events Conducted

The State Combined Event Championships consists of between four and seven separate disciplines. Events consisting of four or five disciplines will be held on one day. Events consisting of more than five disciplines will be held on two consecutive days.

The following tables outline the disciplines for each age group and the day the discipline will be held.

Call Room

A Track call room, located near the 100m start line, will be used for all Track events. When called to marshal for any track event, all athletes are to report to the Track call room, and they will be escorted from there to the start of their race.

Field events will not use a call room but will marshal at one of three field marshalling points. These field marshalling points will be indicated on the venue map which will be added to the event page.

Multi-Class athletes will marshal at the Track call room 30 minutes before their 100m event. From there, our Multi-Class Manager, Richard Colman, will take the athletes to each subsequent event.

All athletes must be at their relevant call room/marshalling point 30 minutes before their first event of each day. For subsequent events throughout the day, an announcement will be made when each Age Group/Group Letter is to report to the call room/marshalling points.

The timetable is only an indication of the times for each event. It is essential that athletes and parents are listening for all announcements relating to their events.

Athletes are not to run across the track or jump the fence. Located around the track are gates, and officials on each Gate will manage the athletes entering the track area.

A venue map detailing all the key areas (Call Room, Marshalling Points, First Aid, Toilets etc) will be added to the event page prior to the event.

Point Scoring

Athletes are awarded points based on their performance in each discipline.

Little Athletics Victoria uses the Alberta Youth Scoring Table to determine point scores for U9-U14 athletes.

U15, U16 & U17 athletes will use the same points system, as per the World Athletics Men's and Women's Combined Events tables.

The U9-U17 Multi-Class athletes will use the Baseline tables for conversion to a percentage which will then be used to calculate the points for each event.

An athlete failing to attempt to start or make a trial in one of the individual events will not be entitled to receive an overall place in their Combined Events Championship. It will not, however, prohibit the athlete from competing and scoring points in subsequent events.

Warm-up

Athletes will have access to the track only until the track is closed when the first events are called.

A warm up area will be shown on the venue map when that is added to the event page. Please note that as we will have limited space for warm ups, athletes are asked to exit the warm up area as soon as they have completed their warm up.

Uniforms

All athletes competing must wear their approved Centre uniform which conforms to the standards as defined in the **LAVic Centre Uniform Booklet**.

The Rules covering uniforms are detailed in Rule 143 as found in the LAVic **Competition Rules** located on our website [HERE](#)

All uniforms must display the Coles logo above the LAVic logo and have the Commonwealth Bank registration patch attached to the front.

Athletes will not receive an event patch, and we do not have an athlete check-in.

It is each Centre's responsibility to ensure that their athletes are in approved Centre Uniform.

Track Events

All track events are heats only.

The 100mts are all up to 10 lanes per heat.

The 60mts / 80mts Hurdles are up to 10 lanes per heat, 90mts / 100mts / 110mts Hurdles are up to 9 lanes per heat.

High Jump

For High Jump, an athlete will only be allowed to have a maximum of 8 jumps or 3 successive failures, whichever occurs first.

During the entire competition, the bar will be raised in 3cm intervals only.

The benchmark used to determine the 3cm intervals is 1.00mt.

As part of the entry process, **an athlete must nominate their preferred starting height**.

The athlete's starting height can be changed on the day by advising the Chief Judge.

Spikes

Spikes are permitted for the following events at the Combined Event Championships:

NOTE: The below table also applies to Multi Class athletes.

Age Groups	Track Events	Field Events
U9 - U10	No spike shoes allowed	No spike shoes allowed
U11 - U12	All events except 800m	All jump events
U13 - U17	All events	All jump events and Javelin

Spikes Size: Max 7mm for Track Events and 9mm for Field Events.

Spikes Shape: Only Conical or Pyramid spikes are permitted.

Field Events

All field events other than High Jump are 3 attempts only. In the Discus and Javelin, each trial will be marked, with only the longest trial measured and recorded, at the end of the competition.

Medals and Presentation

Medals will be presented to the first three placegetters of each age group.

Ribbons will be presented to fourth to eighth placegetters of each age group.

Approved Centre Uniforms must be worn at the Presentation Ceremony.

Medals and/or Ribbons will not be presented to placegetters in individual disciplines of the Combined Events.

Results

Live Results will be made available throughout the entire Championships on our Results Hub platform. Access to Results Hub is done through the event page on the website, or by clicking the link below ...

<https://lavic.resultshub.com.au>

Multi-Class Athletes

We have Multi-Class athletes competing in a 4 event competition. The events are 100mts, Long Jump, Shot Put (Girls only), Discus (Boys only) and finishing with the 400mts.

The points score will be the best 3 performances achieved.

Richard Colman our Multi-Class ambassador will be the Multi-Class manager. Richard will escort the athletes to either the field event site or the track call room and will speak to the officials to ensure you are comfortable with the process.

Photos, Videos & Live-Stream

The Championships will be covered extensively with a team of photographers and via recording. Photos & Videos will be made available through Little Athletics Victoria's Facebook and YouTube pages in the days following the event.

The event will also be live streamed through YouTube and Facebook. Details will be available on the event page of our website.

Please note that there will be athletes competing who are unable to be photographed due to child safety or privacy concerns. As per LAVIC's Child Safe Code of Conduct you may only take photographs or video footage of children and young people involved in Little Athletics if prior approval has granted by their parent(s)/guardian(s).

Team Managers

All Centres with participating athletes, regardless of the number of athletes entered from their Centre, are to nominate one or two Team Managers. Team Managers are responsible for ensuring all athletes from their Centre are in correct uniform and are the sole liaison between the athletes and event officials.

All Team Managers are required to have appropriate Child Safe credentials including a current Working with Children Registration.

A link for nominating Team Managers will be sent directly to all Centres.
