SUBJECT: State Cross Country Championships update

The 2020 State Cross Country Championships remain suspended, and we understand that many are keen to know if the event will proceed or not.

The memo 'LAVic update' from 24.03.20 stated that 'A decision will be made by 31.05.20 about whether the State Cross Country Championships (01.08.20) will proceed on that date, if at all'.

In follow up to this, please be advised that given the likelihood of further easing of COVID-19 restrictions by the Victorian State Government post 22nd June, LAVic continues to make every effort to look at opportunities to hold this event. Clearly, major stumbling blocks for this event will be restrictions preventing competition, and rules limiting maximum sizes of outdoor gatherings in the community sport context. Venues and dates are other critical considerations.

Accordingly, LAVic will hold off on making a final decision for now, but will communicate a final position prior to 1st July.
