

Additional Information for Attendees

**State Cross-Country Relay
Championships**

**Cruden Farm, Langwarrin
Saturday 24th June 2023**

This document is to provide additional information and reminders for attendees at the State Cross Country Relay Championships 2023. It should be read in conjunction with the Centre Information that was distributed previously.

Entering the venue

Entry is via Cranhaven Road only. Athletes and their families are welcome to start arriving from 8:30am. If there is a queue waiting to get in, please be mindful of neighbouring properties and ensure that residents are able to get in/out of their properties.

Please follow the directions of the car park attendants on site to ensure that we park in the correct places and minimise delays.

After parking, access to the course is through one of three gates between the carpark and the course. Please follow any directions given by officials on the day.

Out of Bounds areas/Electric Fences

Attendees are not permitted on the manicured lawns around the main building. If anyone is planning to bring your own marquee, these must be carried through the access points mentioned in the section above (please do not take "shortcuts" through the lawns).

For their own safety, attendees are not permitted to be in or around the dams on the property. Please ensure that you supervise young children in your care to ensure that they don't wander off.

There are several electric fences on the property. Whilst those around the area we are using will be switched off, please treat any fence with yellow signage on it as not all fences on the property will be switched off. Once again, please ensure that you supervise children in your care.

Ball/Throwing Sports

Children entertaining themselves with footballs, vortexes, frisbees etc are asked to ensure that they stay well clear of the course and spectators to avoid any chance of accidental injury or interference with the event.

Damage to property

Please ensure that all care is taken to ensure no damage is done to any part of the property, including buildings, fences, trees and gardens. If any damage does occur, please report this to the Administration building.

Warm-up areas

Warm-ups may be done along the road between the carpark and the course. This road will be closed to traffic but please be aware of people crossing the road to get to/from the carpark. Warm-ups may also be done on the outside of the course. Please ensure that you don't interfere with events by running onto or across the course.

Warm-ups are **NOT** to be done on the lawns of the main building area.

Dogs

A reminder that Dogs are not permitted on the property with the exception of service dogs accompanied by the appropriate paperwork.

Food Court

Available from the Food Court will be the following:

- Coffee Van (also serving cookies and banana bread)
- Donut Van
- BBQ

Water/Drinks

Please bring your own drink bottle/water. LAVic will not be providing water but there are 2 taps available at the venue for refilling if required.

Correction to Awards (Medals NOT Sashes)

Please be aware that there was an error with the original information sent out that stated that sashes would be presented to the first 3 teams in each event. Medals will actually be presented as they are at other State Championship events.

Region Teams/Uniforms

Due to the higher than expected number of Region teams competing, all athletes are asked to bring their Centre top just in case we don't have enough Region tops available.
